### Full job description

#### Your new company

Hays have exclusively partnered with a leader within the Construction space. Your new company have a broad range of products and services that they offer around the world. One of their well renowned divisions is seeking a National Sales Manager to head up their Business unit, managing a team, whilst growing business across their Software suite for Construction projects.

#### Your new role

In your new role, you will be based out of the Sydney office, heading up a household name in Construction software. This product is well respected in the industry, providing software solutions across Residential and Commercial projects, You will manage a team of Business Development Managers and Sales Consultants, as well as developing business with top tier accounts. This is a fantastic opportunity for a passionate Construction Software Sales Manager to join an established, global operation.

#### What you'll need to succeed

- Sales Management experience
- Strong Sales experience
- Construction Software experience desirable
- Relationship Sales focused professional
- Autonomous, self driven
- CRM advocate
- Construction Estimating experience highly regarded

#### What you'll get in return

- \$130,000 - \$150,000 Base
- Car or Car Allowance
- Bonus Structure
- Work for a global, established organisation

- A product desired in the market
