Full job description

Meat processing is the largest manufacturing industry in Australia, and there are many opportunities for a stable, long-term career this is just the first step!

What does this mean for you? This means that if you are reliable and hardworking, and can commit to working safely and following procedures in a physical job, we would like to hear from you.

We can offer you a full time, permanent job with proper industry training and supportive management. You will be a valued team member, and will work in a fast-paced environment that has a focus on safety and wellbeing.

As a full-time, permanent employee, you will work a minimum 38 hours per week with the potential for overtime and weekend work.

About the Role:

We are seeking Qualified Electrician to join the Asset Management team based at our Wagga Wagga processing site in Regional NSW. The role will be responsible for maintaining the processing plant and equipment, and supporting the day-to-day production requirements of the business. Other requirements include:
