Full job description

Are you seeking your next long-term Production Planning and Scheduling role with a great team?

We are on the look out for an experienced Production & Distribution Scheduler to join our national industry-leading client in a full-time permanent capacity.

Who will you be working with?

Our client is an industry leader in the agricultural sector, providing animal feed solutions to a wide market.

They are a well-established organisation and pride themselves on quality service to their customers.

What are the benefits?

- Great culture and working atmosphere
- Long-term permanent opportunity
- Skilled and professional team

What will you be doing?

- Scheduling the manufacture and distribution of all bulk and packaged finished product requirements as per company standardised production & distribution procedures
- Maintaining full traceability of production activities
- Ensuring deliveries are coordinated to meet customer expectations and mill efficiency requirements
- Assisting with supervision and supporting the training and development of site employees

What do you need?

- Thorough understanding of the MS Dynamics AX and Microsoft Office systems
- Experience creating and overseeing execution of manufacturing and delivery schedules
- Strong verbal, negotiation and written communication skills
- High attention to detail
- Sound knowledge of OH&S and Environmental Policies and Legislation

If you think this could be the role for you then please **apply now!** Or, if you know someone who would suit this role or have any questions, please contact **Chelsey** on **0478 191 193**.

At Fuse, we specialise in recruitment for the manufacturing industry and actively source a variety of roles for a broad range of manufacturers. If you are looking for a new opportunity, I'd love to hear from you!

If you know someone looking for a job, refer them to us and we'll give you \$500* if we find them a new role!
